

AFX STATION + BASS STATION II

ULTIMATE PATCHES

FAST 'n' EASY USB INSTALL GUIDE + PATCH LIST

Install Requirements

1. A Bass Station II or AFX Station
2. A PC (Windows 7+) or Mac (OS X 10.8+)
3. The free Novation Components program (PC/Mac)

Installation

Connect the synth to your PC/Mac via usb, then install the free Novation Bass Station 2 / AFX Station "Components" librarian (The installer for the standalone version of Components is found in your Novation account once you have successfully registered your synth on Novation.com):

Online version: (use Google Chrome):

<https://components.novationmusic.com/bass-station-ii/new-bank>

Components - Standalone version (PC/Mac) :

<https://customer.novationmusic.com/my-software>

Then update your Bass Station II or AFX Station firmware via the Components app, and then use the app to load the patches into your synth. Note: There is a helpful user tutorial in the top left menu of Components.

Please contact Novation should you have any inquiries regarding using or troubleshooting the Bass Station II, AFX Station, or Components librarian.

+++

If you have any questions at all, please contact us via the contact page on our website **UltimatePatches.com** — we usually respond within a few hours, and usually the same day.

Legal: Use these patches freely to create musical ideas and songs with — they can be used in personal or commercial recordings or playing live. None of the patches can be redistributed for free, and/or resold in any way. The compositions in the sequences and Youtube video demo are copyright protected via their respective owners, and are used in the sequences only for demonstration purposes of the patches. Much of the original music in the Youtube video demo / sequences is available for purchase or licensing for your own recordings; contact support@ultimatepatches.com for more information.
