ULTIMATE PATCHES

FAST 'n' EASY USB INSTALL GUIDE + PATCH LIST

Install Requirements

1. A Korg Monologue
2. A PC (Windows 7 SP1+) or Mac (OS X 10.11+)
3. The free Korg Monologue Sound Librarian (PC/Mac) and Korg USB-MIDI Driver*

Installation

First, install the free Korg USB-MIDI Driver*:

<https://www.korg.com/us/support/download/product/0/733/>

*Note: If using macOS Catalina (10.15) or later, do NOT install the KORG USB-MIDI Driver as it will prevent the Monologue from being recognized by your Mac.

Now install the free Korg Monologue Sound Librarian (Version 1.1.0 or later):

<https://www.korg.com/us/support/download/product/0/733/>

Then, drag + drop (or double click) the following file onto the Librarian: (*Do NOT rename these files - they must be named exactly as below or they will not open in the librarian.*)

Monologue ULTIMATE PATCHES - Vol 1.molgpreset (or Vol. 2 or 3)

The Ultimate Patches will now show up in the Presets window. (Side note: you can drag and drop one or more patches from the Presets window into patch slots in the main librarian.)

If there's a problem with your PC/Mac and the patches don't appear in the Presets window, don't worry; the next step will also load the patches into the Librarian.

Now drag + drop (or double click) the following onto the Librarian:

(or you can use File-Open)

Monologue ULTIMATE PATCHES - Vol 1.molglib (or Vol. 2 or 3)

The patches will then show up in the main window of the librarian.

Further instructions for using the librarian are included in the Librarian download.

NOTE:

Most patches have a sequence to demonstrate the patch for you - just hit the Play button on the Monologue to hear the patch in action. Some have the sequence automatically play when you press a key. Enjoy!

If you have any questions at all, please contact us via the contact page on our website **UltimatePatches.com** — we usually respond within a few hours, usually the same day.

Legal: Use these patches freely to create musical ideas and songs with — they can be used in personal or commercial recordings or playing live.
