

MICROFREAK

ULTIMATE PATCHES

FAST 'n' EASY USB INSTALL GUIDE + PATCH LIST

Install Requirements

1. A MicroFreak
2. A PC (Windows 7+) or Mac (OS X 10.10+)
3. The free Arturia Midi Control Center program (PC/Mac)

Installation

1. To load the patches into your Arturia MicroFreak, first install the free Arturia Midi Control Center program: <https://www.arturia.com/support/downloads&manuals#mccu-589784424>
2. Plug in the MicroFreak via USB to your computer, then start the Midi Control Center. After a few seconds, you will see in the app that the MicroFreak is connected (make sure "MicroFreak" appears under DEVICE). If you'd like to back up the patches that are in your MicroFreak, click "Recall to Computer" in the app.
3. Now, click the "import" button in the app, then select "Import New Project". Import the file you purchased from us, for example MICROFREAK ULTIMATE PATCHES - VOLUME 1.mfprojz. If you have the free 10-patch demo and wish to import it, click "import" then "Import New Project" and choose the file "MICROFREAK ULTIMATE PATCHES DEMO.mfprojz".
4. The patches are now loaded into the computer - "Import Successful" will display.
5. To copy the Ultimate Patches to your MicroFreak, select the "ULTIMATE PATCHES VOLUME 1" (or Vol 2 or 3) or for the demo "MICROFREAK ULTIMATE PATCHES DEMO" in the left window in the app, and click "Send to MicroFreak". After a short while (up to a few minutes) the patches are loaded in the the MicroFreak and you're ready to play.

Further instructions for using Midi Control Center are in the Midi Control Center "Help" menu.

If you have any questions at all, please contact us via the contact page on our website **UltimatePatches.com** — we usually respond within a few hours, and usually the same day.

Legal: Use these patches freely to create musical ideas and songs with — they can be used in personal or commercial recordings or playing live. None of the patches can be redistributed for free, and/or resold in any way. The compositions in the sequences and Youtube video demo are copyright protected via their respective owners, and are used in the sequences only for demonstration purposes of the patches. Much of the original music in the Youtube video demo / sequences is available for purchase or licensing for your own recordings; contact support@ultimatepatches.com for more information.
