

## **Congratulations - You now own the ULTIMATE PATCHES Taster Pack for Roland JD-Xi!**

Included here are 10 sets of patches, totalling 30 (10 analog, 20 digital) located in the first 10 Programs in the bank you install them to.

In the full product, there are 180 patches in each of the 4 banks (Volume I - IV), totalling 720 patches (each program contains two digital patches and one analog patch).

### **NOTE:**

Press PLAY on the sequencer to hear the patches in action.

### **INSTALLATION:**

Follow the instructions in the "Adding Data from a Computer to the JD-Xi" section on page 2 of the JD-Xi Version 1.10 Supplementary Manual:

[https://www.roland.com/global/support/by\\_product/jd-xi/owners\\_manuals/](https://www.roland.com/global/support/by_product/jd-xi/owners_manuals/)

**Reminder:** Always make sure to back up your patches before proceeding to install new ones. To do so, follow the instructions in the Roland JD-Xi Owner's Manual on page 13:

[https://www.roland.com/global/support/by\\_product/jd-xi/owners\\_manuals/](https://www.roland.com/global/support/by_product/jd-xi/owners_manuals/)

Enjoy!

**Usage:** These patches are for you to freely create musical ideas and songs with, and can be used in personal or commercial recordings/live. These patches however cannot be repackaged for resale or unauthorized re-distribution. The compositions in the sequences are copyright protected via their respective owners, and are used in the sequences only for demonstration purposes of the patches. Most of the music in the sequences is available for purchase or licencing for your own recordings; contact [support@ultimatepatches.com](mailto:support@ultimatepatches.com) for more information.
