

ROLAND SH-01A

ULTIMATE PATCHES

FAST 'n' EASY USB INSTALL GUIDE + PATCH LIST

There are 3 sets of patches in Volumes 1-3:

VOL 1 (64 Patches), **VOL 2** (64 Patches), and **VOL 3** (32 Patches)

and 3 sets of patches in Volume 4-6:

VOL 4 (64 Patches), **VOL 5** (64 Patches), and **VOL 6** (32 Patches)

IMPORTANT: PRINT THE PATCH LIST, TRY PITCH/MOD WHEELS

Print out the patch list and refer to it when trying out the patches, as the patches are named with their intended use by the designer. You'll be glad you did! Also, try the pitch and mod wheels — we've programmed them per-patch to sometimes provide interesting +and unusual variations (as heard on our Ultimate Patches SH-01A Youtube demos)!

Install Requirements

1. An SH-01A
2. A PC (Windows 7 SP1+) or Mac (OS X 10.10+)
3. The Roland SH-01A Driver (PC/Mac) and System Program 1.07 or higher

Backup your patches

Now is a good time to back up your existing patches before installing Ultimate Patches.

1. Download and install System Program 1.07 or higher (firmware) to your SH-01A. Also Install the SH-01A driver to your PC or Mac. Download from: <https://www.roland.com/ca/products/SH-01A/downloads/>
2. Connect your computer to the SH-01A via USB. While holding down the MENU button, turn on the power of your SH-01A. The "SH-01A" drive will appear in your hard drive list.
3. Open that "SH-01A" drive on your computer. The backup files are located in the "BACKUP" folder of that "SH-01A" drive. Copy that BACKUP folder to your computer.
4. After copying is completed, eject the USB drive and then disconnect the USB cable.

Here's how to load our patches into your SH-01A:

1. Make sure step 1 above is complete.
2. Connect your computer to the SH-01A via USB. While holding down the MENU button, turn on the power of your SH-01A. The "SH-01A" drive will appear in your hard drive list.
3. Drag the "PATCH" folder (which is in the BACKUP folder of "Volume 1" -or 2, 3 etc. of our patches) into the "RESTORE" folder on the SH-01A drive on your computer.
4. Once the contents are done copying, press the MENU button on your SH-01A. Wait a few seconds (until the lights stop scrolling on your SH-01A), then restart the SH-01A. That Volume of patches is installed. Enjoy!

If you have any questions, contact us via the contact page on our website [UltimatePatches.com](https://www.ultimatepatches.com) — we usually respond within a few hours, and usually the same day.
